Equipment Requirement

All golfers must bring their own clubs. Sterling Farms Pro Shop carries a wide selection of junior golf clubs at very competitive prices. As a participant in our program, you will receive an additional **10% discount.**

We strongly recommend NOT having adult clubs "cut down" for kids. They are far too heavy and stiff and can cause poor swing habits that can last a lifetime. Let one of our PGA/LPGA professionals help in selecting the right clubs for your children.

Weather Policy

There will be no cancellations or makeup classes due to rain. In the event of inclement weather, please make sure your children are dressed appropriately. We will utilize the covered bays at the range. When necessary sessions will be held indoors.

Refund Policy

Due to the success and demand for our Junior Programs, there will be no refunds given.
